idea 3: show

it's about kitchen and making a new restaurant, about order and being systematic, the restaurant started off being called "the beef" but then it ends with the chef putting a note on the window, crossing out "the beef" and putting "the bear, coming soon"

Happy the man, Whose wish Concrete to breathes native air, In his own ground. A few paternal acres bound, Content to breathe his native air, In his own ground.	In winter fire. Blest! who can unconcern'dly find Hours, days, and years slide soft away, In health of body, peace of mind, Quiet by day, Sound sleep by night; study and ease Together mix'd; sweet recreation, And innocence, which most does please, With meditation. Thus let me live, unseen, unknown; Thus unamented let me die; Steal from the world, and not a stone	Ode on Solitude Alexander Pope
Whose herds with milk, Whose fields with bread, Whose flocks supply him with attire, Whose trees in summer yield him shade, In winter fire.	Tell where I lie. Blest who can unconcern'dly find In winter fire, Whose trees in summer yield him shade, Whose flocks supply him with attire, Whose fields with bread, Whose herds with milk,	Tell where I lie.
